

Tabling at Sept. 24 White House rally

Tabling policy

There is plenty of space at the Ellipse for all groups that want to set up tables. Tabling space is free and available on a first come, first serve basis in the designated tabling area (see above).

Please bring your own table. You can begin your table set up at 8:00 am on September 24 and stay for the entire day.

If you have other structures associated with your table set up, please call 202-544-3389 before you bring them to confirm whether or not these will be allowed on the Ellipse.
